BARE NECESSITIES

Bare Necessities has a custom built archway above centre cockpit with integrated lights and custom carbon framed windscreen to protect the main companionway providing excellent shelter as well as sun protection. Her powerful cutter rig with carbon Smart boom, top quality laminate sails with main being fully battened, hydraulic furlers all go to provide exceptional performance with minimum effort.

Below deck, her maple interior makes her very light and makes for a very open feel. The upper saloon offers excellent views with large deck saloon windows and has a 42" screen neatly flushed in. The lower saloon has a large L-shaped settee with another folding table. This is a wonderful area to read, play games or watch movies on the 32in screen.

Bare Necessities provides spacious accommodation for six guests in three cabins, while separate accommodation for crew is provided forward. The master cabin has a spacious centre line queen berth. In addition, there are two identical guest cabins also aft with twin berths. All cabins throughout the yacht have a private en-suite head and shower.

Bare Necessities has been meticulously cared for and upgraded by professional crew to maintain the high quality you would expect from an Oyster yacht,
