Experience unrivalled tranquility aboard this meticulously maintained Oyster 82. Come cruise, dine and relax in the sunshine with us...

Dama de Noche offers versatile and surprisingly spacious living areas comparable to a much larger design. The upper saloon is window height providing great views with a large table for inside dining. The lower saloon is a great spot for the library or watching a movie.

Three guest cabins are aft of the saloon. A master cabin with a queen centerline berth, a port cabin with twin berths and a starboard double cabin. All with ensuite heads.

The yacht features full hydraulic sail handling with in-mast furling. The guest cockpit has a clear central walkway aft, giving access to the helm positions and side decks. There are two large cockpit tables ideal for exterior dining.
