

REINA

OYSTER  
CHARTER

OYSTER 825  
REINA

Reina's sleek lines give little clue of the light, airy interior that awaits below decks. With unusually generous headroom (she was designed for a very tall family!) and fabulous views through the triple seascape windows, which allow natural light to flood into the boat. Ingenious interior design delivers all the comfort and the quiet of a contemporary boutique hotel, without compromising the exceptional sailing performance of this swift and responsive vessel.

Among Reina's many attractions are a spacious cockpit perfect for outside dining, the exceptionally bright and airy saloon, and a large fold down bathing platform which adds an extra level to onboard recreation.

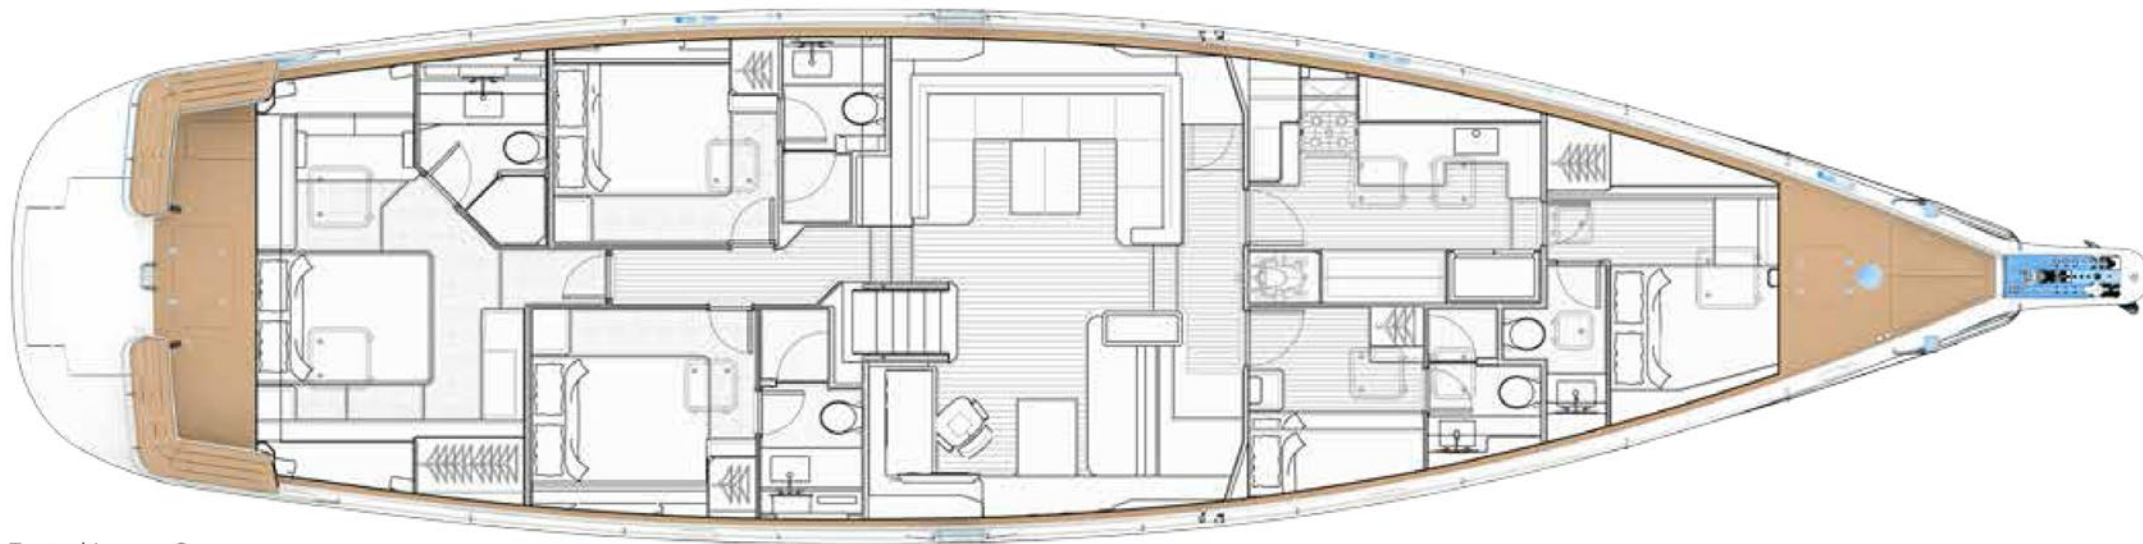

Three elegantly and efficiently designed guest cabins offer the ultimate in privacy and comfort. The bright master cabin has ample room for a queen size bed; indeed the spectacular views through the triple seascape windows offer a real feeling of space. The other two spacious cabins have double beds, and all with accompanying ensuite heads.
