OYSTER 565SII

THE PURSUIT OF PERFECTION CONTINUES

The Oyster 565SII is a magnificent, award-winning, sub 60 foot liveaboard bluewater cruiser, offering immense practicality and exceptional luxurious living space.

With a powerful sail plan and effortless shorthanded capability, she is perfect for coastal cruising or ocean adventures.

EVOLVED AND ENHANCED

Every detail, practicality and seamanlike feature on this bluewater cruiser has been reconsidered for enjoyment and cruising lifestyle. Her refined systems and powerful, easily-manageable sail plan make her effortless to sail shorthanded. She is practical and well-provisioned for long distance sailing and she remains capable of fast, sustained, passage-making speeds.

The iconic styling has been evolved, larger hull ports and seascape windows transform the exterior styling and flood the saloon and cabins with additional light. Standout features have been remastered. The companionway and saloon steps have been reimagined, offering additional space, safety and accessibility, whilst increasing the overall living space in the saloon. Living space has been transformed with new luxurious contemporary interior styling, exquisite fabric, materials and hand crafted finishes. New generation black box technology and integrated onboard systems, provides real-time status and control through the new Oyster App.

The new Oyster 565 Series II is a sub 60 foot pocket superyacht. Truly connected with every detail considered, she is capable of taking you anywhere in the world in complete luxury, comfort and safety.
