OYSTER 595SII

CAPABLE OF GREAT THINGS

The 60 foot Oyster 595SII sailboat has Oyster bluewater performance cruising DNA running through her from stem to stern.

Well-proportioned and extremely versatile, she offers exciting customised build options and is available with fixed or centreboard keel, as well as a tender garage or extended transom. She can be sailed effortlessly shorthanded and has an impressive internal volume, able to accommodate up to eight guests in comfort. She boast excellent entertaining space, from the cockpit, flush aft and foredecks, an optional swim deck, through to open plan saloon.

THE ALL-ROUND ADVENTURER

Designed for safe, yet fast, exhilarating cruising, she is equipped with the latest automated sailing technology as standard. She offers responsive fingertip control on the helm and her increased hull volume and wide beam aft can handle plenty of sail power for faster passage-making speeds.

At just over 60 feet overall, the 595SII punches well above her weight, with a range of superyacht-inspired technology and design features distilled from larger yachts in the Oyster fleet. Below decks, she offers a generous open saloon, with stylish mood lighting and entertainment, all controlled through the Oyster Command System™.

The standard, four-cabin layout has space for eight family and friends, with an optional crew cabin and three heads for comfort and convenience. Designed and hand-crafted to Oyster's renowned build quality, she has a large cockpit and protected helm positions. All this makes her a pleasure to sail, whether you're island-hopping in the Mediterranean or rounding the Cape.

FEATURES

- **Standard four cabin configuration**
- **Hydraulic push-button, in-mast furling**
- **Larger hull ports and seascape windows**
- **Alternative interior layouts**
