OYSTER 745

BUILT FOR VERY BIG ADVENTURES

An inspired, liveaboard 75 foot long range cruising yacht, offering infinite choices and designed for long-haul cruising adventures and exploration.

She features generous luxury living and entertaining space, with unique flexible crew quarters. Available in keel and transom variants, she boasts a powerful sail plan that delivers exhilarating sailing performance, consistently fast and comfortable passage-making speeds and an effortless sailing experience.

DESIGNED FOR THE LONG HAUL

The 745 is a thrilling yacht to sail, her immense scale makes it an unforgettable experience. The powerful, large volume hull form with twin rudders offers perfect stability and effortless fingertip control on the helm, delivering consistently fast passage-making speeds. Visibility is excellent from the twin protected helm stations, making manoeuvring simple.

The design options below decks make it easy to create a sense of privacy for you, your family and friends. There are four ensuite guest cabins, with a flexible crew cabin and galley located at the bow away from guest quarters. As you would expect, the accommodation is luxurious and extremely comfortable.

Exceptionally large tankage and generous storage make it possible to take the 745 on extended voyages, without the need to re-supply. The centreboard option opens up a world of shallow-draft cruising grounds and beautiful anchorages that other yachts simply cannot reach. Wherever the Oyster 745 takes you, adventure comes as standard.
