OYSTER 805

A NEW BLUEWATER ICON

The new Oyster 805 is a superyacht inspired 80 foot bluewater sailing yacht.

Redefining her class, she is a new touchstone for luxury, versatility and adventure. Evolved iconic Oyster styling for a new era offering unsurpassed onboard living and entertaining spaces. This versatile yacht will take you to the farthest corners of the globe in exhilarating comfort and safety.

SUPERYACHT INSPIRED

The Oyster 805 delivers superyacht features in an exceptionally capable bluewater sailing yacht. Designed for every moment, she offers unsurpassed interior configuration opportunities—from a day bar, gym, or snug, through to an office or private library. The four en-suite guest cabins are light, airy and sublimely crafted, offering a private haven where every detail has been carefully considered.

On deck, the 805 provides effortless relaxation and entertaining, she features a tender well that transforms into a chillout zone; a new superyacht-style, twin-access bathing platform; and an inviting daybed in the centre cockpit, which also boasts a starlight bimini — the perfect setting for alfresco dining.

Designed for uncompromising performance, she embodies Oyster's renowned DNA from stem to stern. With a choice of keel options, she can reach remote anchorages beyond the limits of most other superyachts.

Length of waterline	22.71 m / 74’ 5”
Beam	6.35 m / 21’ 1”
Draft - standard keel	3.50m / 11’6”
Displacement - standard keel	64,700 kg / 142,639 lbs
Typical engine	Cummins turbo charged B4.5 250 186kW (250hp) at 2600 rpm
Tanks - fuel	2750 litres / 726 US gals
Tanks - water	1850 litres / 488 US gals
Sail area - including 105% foretriangle	345.75 m^2 / 3,721ft^2
Air draft approx, excluding antennae	37.08 m / 121’ 78”

*Design dimensions, particularly draft, are approximate and not guaranteed due to normal building tolerances, salinity of water, trim, flotation and ultimate displacement following owner's choice of layout and optional equipment. Oyster makes any trim adjustments considered necessary by the addition of ballast prior to handover. Displacement is quoted in lightship condition, i.e. no Owner’s stores or optional extra equipment and tanks empty. Draft shown is based on design datum waterline position.
